

Get Trained!

2024

MEDIA DESK
SUISSE

Go International – Get Trained!

This brochure lists more than 80 training programmes where you can learn new skills, improve your professional knowledge, network with colleagues from all over Europe and meet international experts.

Most trainings listed are co-funded either by Creative Europe MEDIA or by the Swiss MEDIA Compensating Measures. Some are offered by renowned organisations that have been co-funded by Creative Europe MEDIA in the past. They take place all over Europe and beyond.

The Swiss normally have access to all events within a quota of 30% for participants from countries other than the EU or MEDIA member countries. Should you have the nationality of an EU or MEDIA member country, we recommend that you indicate this nationality in your application, as some trainings have specific restricted access rules.

MEDIA Desk Suisse operates a support scheme to assist Swiss industry professionals to enhance their career through international training opportunities. The grant can be given for all workshops mentioned in this brochure and can cover up to 50% of the costs.

Learn more about the requirements for support at mediadesk.ch/get-trained-stipendien or contact us directly at info@mediadesk.ch. Applications must be submitted at least two weeks before the start of the training.

For all dates, locations and deadlines, please check the organiser's website. Upcoming deadlines are published in our newsletter and on our website in the news "Get Trained!".
